

Rede von Shirin Eissa anlässlich der Verleihung des Kurt-Hübner-Nachwuchspreises 2022

Holy! Holy! Holy! Holy! Holy! Holy! Holy! Holy! Holy! Holy! Holy! Holy!
The world is holy! The soul is holy! The skin is holy! The nose is holy! The tounge and cock
and hand and asshole holy!
Everything is holy! everybody's holy!
The madman is holy as you my soul are holy!
Holy the solitudes of skyscrapers and pavements! Holy the cafeterias filled with the
millions! Holy the mysterious rivers of tears under the streets!
Holy the sea holy the desert holy the railroad holy the visions holy the hallucinations holy
the miracles
Holy forgiveness! mercy! charity! faith!
Holy! Ours! bodies! suffering!
Holy the supernatural extra brilliant intelligent kindness of the soul.
People,
Feel your blood, feel it running, feel your heart, feel it beating, feel your feet, on the the
ground
Feel it, feel you
You are free
Free
Feel it
Here we are free
Save our planet and save our children!
Save our trees, our rivers, our streets
Our animals and plants.
Save the ground on which you are walking, on which you are standing everyday, save the
people on which you are walking, in which you are standing everyday.
Change the System
Change it
People have the power
Believe it
People have the power
Believe it
